WASTEWATER / PE
TRAINING SESSION

*Low Pressure
Sewer
Workshop*

Date: December 7, 2017

Location: Quality Inn
8250 Park Rd.
Batavia, NY 14020

For Directions call (585) 344-2100

Professional Engineers

This session is approved for 5 PDH's

Operators, Consulting and Civil Engineers will learn:

- how to plan for and control installation of low pressure systems
- ways to reduce sewer installation costs
- how to design a reliable and cost-effective system
- proper system layout and installation
- how to upgrade aging, low pressure systems

The benefits of a low-pressure sewer collection system are evident in areas with rock, high groundwater, waterfront and difficult to develop property. No longer just an "alternative" sewer collection system, Low Pressure Systems are a viable, sustainable and cost effective solution to expensive gravity systems and shrinking O & M budgets.

Please Note - If you wish to cancel your registration for this session, you must do so within 3 business days prior to the session to receive a refund. Otherwise, you will be responsible for payment.

Low Pressure Sewer Workshop

December 7, 2017

8:00 - 8:15 am Registration

8:15 - 8:30 am Welcome and Intro

8:30 - 9:30 am Pressure Sewer Solutions

Presented by: Jeff Langenderfer,
Crane Pumps & Systems

9:45 - 11:30 am Pressure Sewer System A/B

Presented by: Jeff Langenderfer,
Crane Pumps & Systems

11:45 - 12:30 Lunch

12:30 - 1:30 pm Pressure Sewer Products

Presented by: Tom Marshall,
Crane Pumps & Systems

1:30 - 2:30 pm LPS Systems Piping

Presented by: Jon Putnam, GHD

2:45 - 3:45 pm Air Release Valves

Presented by: Gary Thomson,
RM Headlee Co.

3:45 - 4:00 pm Closing Remarks / Q&A

NYS DEC is expected to grant 5.0 contact hours toward recertification.

5.0 PDH will also be given.

NO HOURS FOR PARTIAL ATTENDANCE

PLEASE DETACH AND RETURN
PRIOR TO November 28, 2017

PRE-REGISTRATION FORM

December 7 - Batavia, NY

All information MUST be filled out.
